

Dear HHPAA patron,

HHPAA has begun an exciting initiative that will create the first and only cultural destination along the Lake Ontario and St. Lawrence River shore! Our concrete slab and “circus tent” has served us well enough over the years. We are now taking that important “next step” to provide the huge cultural and economic benefits that a major outdoor arts facility will bring to Northern New York.

We’re well past the starting line and need your support moving forward to make this exciting plan a reality.

We’ve completed a feasibility study and survey that produced overwhelmingly positive results – EVERYONE wants this to happen! This study can be found at www.HHPAA.org

Our next step is to secure funding for construction and budget documents, so everyone can see our vision. Our goal is to secure 100% of capital construction funds from New York State. But there is much more to the ongoing cost of creating and sustaining our new facility!

Your contributions to our not-for-profit organization are fully tax deductible.
